Parteolla to discover

Journey to discover the Parteolla traditions and flavours, an area located a few km from Cagliari, rich of wines, oils and cheeses productions.

We will visit the Cathedral of St. Pantaleo (XII sec.), unique for its architecture.

Walking through the villages of Dolianova, we'll easily reach the Museum's oil, converted into local eighteenth-century, where you can trace the historical evolution of oil tradition.

At the end of the visit in the cozy location de '**Sa Mola de su Notariu**', exhibition of crafts and food products, and finally, a rich tasting with typical Sardinian products.
